Remember!

Chapter members are invited to set up a site tour of their employer's facility for the chapter's membership, in exchange for half off membership dues for a year.

The tour ideally should include at least one topic of interest to IISEs, examples automation, just in time, lean, logistics, etc. The brief proposal should include the name of the employer, the location of the facility, the approximate size of the facility, a sentence or two about the focus of the proposed tour, any date or time suggestions and/or restrictions for the tour, and contact information for a contact person who can arrange such tour.

IISE LIVE!

Program Year Starts with A Social at Local Casino

Come join your fellow Industrial Engineers in the Delaware Valley for a night of networking and fellowship. The IISE chapter will be providing appetizers while members can choose their own drinks and discuss the upcoming 3rd and 4th quarter challenges.

Live Sports and Social is a sports bar open to the casino floor, which will allow members to have open discussions and to enjoy a great group atmosphere while discussing the engineering challenges of the year!

Chapter Officers	2	Career Development	4

Welcome back from summer,

Its been a hot one, and many of the folks I know have been busy with their work and lives over the last three months. The IIE chapter board has been busy developing a fun and exciting program year, starting with our event at the Live Casion (see the event info in this newsletter and the mid-summer newsletter). Later this fall we will be having additional program meetings and our annual December dinner with the Philadelphia Engineering Society.

AS you are aware, one of the other goals of the chapter is to provide guidance and to mentor young engineers as they prepare to join the profession. Our chapter will be reaching out in the fall to Temple and Rutgers Industrial Engineering students to present on engineering topics which focus on new engineer needs (Resume writing, interviewing, basic finances, etc.). If members are interested in assisting in the presentations, please reach out to our coordinator, Ryan Flaherty, at flaherty.ryanp@gmail.com.

I wanted to take a moment out to thank the chapter board of directors. Without their hard work and efforts throughout the years, the chapter would not be doing as well, or be as active. Some of the members have been serving for decades, some only for a few years, and some are very new. All of them have put in a lot of effort so far this year, and I'm proud to work alongside them.

Again, I look forward to working with everyone in the months ahead.

About Our Next Meeting:

October Meeting Not Confirmed

Our October program has not been confirmed. One possibility is a joint meeting with the South Jersey Section of ASQ.

Tours are becoming a bit more difficult to schedule. If your organization allows tours; please let a board member know for future consideration.

Also, if there is a topic that you would like to present, we would be interested in hearing about it!

Hope to see you at a future event!

IISE Regional VPs Form Committee to Revisit Funding to Local Chapters

Our IISE Northeast Regional VP Michael Testani informed Chapter President Kevin Drevik that the IISE RVPs have formed a committee to investigate an alternative to address the rebate decision for professional chapters. Last May, IISE announced that they would no longer provide dues rebates to chapters.

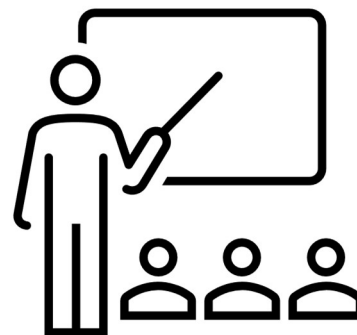

Several chapters, including the SJDV Chapter, have expressed disappointment in the decision and decision-making process.

Feedback from the Regional VP Committee is expected in the next several weeks. The chapter board appreciate reconsideration of the rebate decision.
